S MOHAMMED SHARWAN

FULLSTACK DEVELOPER

+91 8152074574 | mohammedsharwan006@gmail.com | Udupi,Karnataka,India

SUMMARY

I bring significant hands-on experience in designing and developing robust full-stack solutions. Having collaborated with diverse teams and organizations, I take a grounded and problem-solving approach to software development. I leverage my skills across front-end and back-end technologies to build scalable, user-centric applications that align with business goals and drive innovation.

PROFESSIONAL EXPERIENCE

VIVAHAMKOTA , DAKSHAYINI **May 2025**

- Designed and developed both front-end and back-end systems using HTML, CSS, JavaScript, PHP, and MySQL.
- Integrated secure payment gateways (Razorpay & PhonePe) and implemented a "Cash on Delivery" option.
- Built dynamic product filtering by availability and date, with color-coded indicators for stock status.

CMS , College Website **September 2024**

- Developed backend using PHP and MySQL for dynamic content and user login.
- Built admin panel to manage students, faculty, and courses.
- Added form validation, database links, and secure login.

PROJECTS

Bus Transfer Navigator **February 2025**

Transportation Technology Cohort

- Real-time bus route suggestions with transfer points
- Alerts near the destination stop
- Simple and user-friendly interface

PROGRAMMING LANGUAGES

C, C++,HTML, CSS, JavaScript, PHP, Python, SQL, Java, Golang, Rust, React

SKILLS

Front-end and Back-end Development	Database Management and API Integration	Version Controls and Authentication & Security

EDUCATION

Bachelor of Engineering in Computer Science (B.E. CSE) **Sep 2023 - 2027**

AJ Institute of Engineering and Technology Mangaluru

- Relevant coursework in Data Structures, Algorithms, Web Development, Database Management, and Software Engineering.

ADDITIONAL INFORMATION

- **Languages**: English, Kannada, Hindi, Byari, Malayalam,Tulu
- **Certifications**: Full-Stack Web Development, Database Management
- **Awards/Activities**: Best Full-Stack Project – Vivaham Kota (2024)
